

WHY NOT MAKE YOUR VERY OWN ELF CREEK'S MAGICAL BREW!

1 cup of water

1 tablespoon of elderflower cordial

A slice of lemon (for a citrusy twist and "magical sparkle")

A pinch of edible glitter or a sprinkle of crushed
mint leaves (for the "magic effect")

A small handful of fresh berries (to represent the
colourful, magical world of Elf Creek)

In a small jug or mixing bowl, add the water and elderflower
cordial. Stir slowly while imagining your favorite magical
moment from the book.

Squeeze the slice of lemon into the mixture while saying:
"By Elf Creek's flow, may this potion glow!"

Gently drop in the berries and crushed mint leaves or glitter,
watching the "magic" happen as the colours swirl together.

Pour the potion into a special "magic chalice"
(a glass or cup) and enjoy!

THE FINGLEY WAY

In all we do, we show we care,
Helping each other, gifts we share.

With gratitude for land and sky,

We live in peace and always try.

Our thoughts and words, we always mind,

To keep our world both true and kind.
