DODL BEAR IS FINALLY RESCUED!

After many years of being secreted away, Dodl Bear is now back where he belongs in Rowan Tree Cottage with Dottie Bell and the Popple family. As many of you know, Dodl has been a member of this family for many generations spreading his message of 'Doing Ordinary Deeds Lovingly.' Dottie assures us that he will soon be seen around Fingley World, eager to meet his old friends, and make some new ones.
